MESSAGE FROM THE PATRON

I am glad to learn that Damien Social Welfare Centre, Dhanbad is bringing out its annual report- 2019. I am very happy to give a message for the same.

Social Stigma has done irreparable damage to the society in India. Often the cries of the people at the bottom of the social structure are lost in the chaos of modernization. Since 1964, DSWC has been relentlessly serving the people who deserve our love, care and respect the most – the lepers. Numbness in their body organs is comparatively less than the social and emotional numbness that they face from the society.

The efforts of DSWC to help them recover their human dignity – physically, psychologically, spiritually and economically – have given them the realization that they are not alone. DSWC also caters the education of their children and gives them an opportunity in the society to excel in their life.

It is indeed a great service to the humanity. The Catholic Diocese of Jamshedpur is proud to have DSWC as its Social Service front. The ministry demands an astute will and committed service. May Damien Social Welfare Centre flourish in its vision and mission with your creative and dynamic leadership.

Imparting my sincere blessings on your ministry at DSWC,
Sincerely Yours,

+ Telesphore Bilung, S.B.D
Apostolic Administrator
Catholic Diocese of Jamshedpur

MESSAGE FROM THE PRESIDENT

PARK CLINIC

(A Unit of Sangeeta Healthcare Pvt. Ltd)
PARK CLINIC, HIRAPUR, DHANBAD – 82601
(JHARKHAND), Phone: 0326-2312016

Leprosy is curable and preventable. It is not hereditary or venereal in origin. Suffering is a part of life and it may come to any person irrespective of different castes, colors or creeds. One cannot run away from the sickness of any type. More than the physical pain of mutilated body and disfigured face, the victim is segregated from self – respect and human dignity.

We, at Damien Social Welfare Centre (DSWC), Govindpur, Dhanbad started our Common mission of providing medical rehabilitation and eventually we put our efforts in mainstreaming the members of this community. Unceasingly, DSWC has worked to cure those affected by leprosy and also to remove stigma attached to the disease. God's upper hand is always upon the Doctors, Care takers and the Institution to serve for the greater glory of God.

However, taking care of the patients and removing Stigma would be constant tasks. Gradually, we do see a social awareness grown among the people through medical camps to educate and reduce the burden of the families and a society. We are happy with huge achievements that are made in all the units, beginning from Hospital, to Nirmala School, to Nirmala Nursing School and to Damien Vocational and Technical School.

I am overwhelmed with gratitude to you all, for your generosity towards DSWC and I believe and hope that you will walk continuously to support the cause of DSWC of providing quality Medical service to all the marginalized people especially the persons affected by any stigmatic or communicable disease so as to lead them towards their total wellbeing and fullness of life.

Dr. S.K. Karan
President of DSWC

Life doesn't give us always we expect or even hope for. Many of us know what it likes to be emotionally hurt by friends, family or a society. Leprosy is not a word but a reality which has deeply wounded the affected people with an excruciating pain and separation from families, friends and relatives. A healing only God can give and we are only the instruments in the hands of God to restore true human dignity and acceptance.

We can never forget the past history of DSWC's achievements and growth since 1964 when Fr. Michael Kavanath S.J began apostolic ministries among the leprosy patients with a group of volunteers from Dhanbad in and around the mining centre of Dhanbad District. During those times the village outcastes were living in hovels and were reduced to begging for their livelihood. But now the spark of light and hope is seen amidst darkness and hopelessness. We are educating and supporting 21 colonies to live a life of self- respect and dignity through various Self- Help Group. Truly the dreams are coming true to break the chain of poverty and segregations from the society. They are happy to work and contribute and save something for the better future.

We need a compassionate heart to show our sympathy and empathy towards the affected and the most abandoned people suffering from leprosy and other skin diseases. We can together fight for cure and prevention from the dreaded skin diseases. I am indebted to the enormous generosity of those great donors, benefactors and the well- wishers who directly or indirectly serve and support our institution in many ways.

As we look forward positively to continue the noble work of DSWC we have so many reasons to thank God for the dedicated service of Sr. Servia CSS as an Administrator. We owe to Sr. Manjil CSS for her unwavering act of compassion offered towards the Nirmala Hospital. We also would like to thank Sr. Jessa CSS and Sr. Leena CSS who took care of the Nirmala Hostel Children with affectionate love and care. Congratulations! With sincere thanks to them. We would like to extend our warm welcome to Sr. Sangeeta CSS and Sr. Anjela CSS who have recently joined our

We would like to extend our warm welcome to Sr. Sangeeta CSS and Sr. Anjela CSS who have recently joined our Nirmala family. I sincerely appreciate our former Director Fr. Bipin Pani, under whose leadership a new priestly residence was constructed and blessed on the 15th of Dec. 2018. Big thanks to the benefactors of Germany and Japan.

Now, I would like to highlight few achievements and development which took place regarding Nirmala Leprosy & General Hospital, Govindpur. We continue to keep our total commitment and attention for the cure and the prevention of Leprosy patients who are undergoing each day with emotional and mental agony more than their physical.

Through the help of Damien Foundation of India Trust (D.F.I.T) we are able to treat the leprosy patients with some deformity cases. In 2018 we conducted 75 Reconstructive Surgery for the leprosy affected people. We are truly blessed with the passionate work of DFIT for bringing holistic healing to the patients who regain their dignity and confidence to cope up with the life. On the other hands, besides taking care of the leprosy patients we also carry our mission to take care of the general patients. We treated 345 cases of dental, 725 cases for Eyes deficiencies and 10478 for skin diseases. This year we conducted 109 Cataract -Operation besides treating 1759 patients with eye deficiencies. 30 cases were dealt with General Cases - Hydro seal, Hernia and High diabetes. We conducted 22 major and 46 minor surgeries. We can proudly say that Nirmala General & Leprosy Hospital remains no more for the leprosy patients alone but also

NEWS FROM LEPROSY COLONIES AND BARAMASIA REHABILITATION & TRAINING CENTRE

A glimpse of S.H.G & Work rehabilitation programs at various Leprosy colonies (Dhanbad)

God works through you and me. He wants to do miracles in the life of others who are economically poor physically challenged and socially deprived of love and care from a society due to leprosy. God is so gracious that he prepares someone to pasture the needs of others. It is through a humble beginning of DSWC institution that the Self- Help Group (S.H.G) Organization was formed and established to support and empower the women group to educate and teach them how to save minimum amount of money to earn their respective livelihood. We serve all together 26 leprosy colonies in Dhanbad.

Success Story: (SHG)

Sulochana Devi, a resident of one of the colonies – Chandmari Colony (Bera), was given a loan of Rs. 14,000/- from Self Help Group to run a small business. She started a goat business. Today she happily earns 20-25 thousand yearly by which she maintains her family.

COMPLETING 50 YEARS OF SERVICE: SR. SERENA

“Sr. Serena CSS, Pharmacist, celebrated her Golden Jubilee in the service of God, on 8th December 2019. Sister was felicitated by Rt. Rev. Telesphore Bilung SVD, the Apostolic Administrator of Jamshedpur Diocese. We thank Sr. Serena for her dedicated service to the less fortunate.”
